Location / Dates: The event took place in **Filakovo (Slovakia)**, from 20/09/2017 to 23/09/2017

Short description: The aim of the event was focused on mutual acquaintance of the partnership members, to launch a professional discussion at the level of national and transnational perspectives, and to create a platform for the know-how transfer in the field of social inequalities balancing. During the first event Mgr. Attila Agócs, PhD., the Mayor of Filakovo, presented the starting points and objectives of the project, the implementation of which the city is entering with great expectations in the area of using examples of good practice from abroad in the creation and operation of social enterprises. As a part of conference lectures recognized experts of the issue gave a talk. The lecturers of the conference presented renowned experts on this issue. Mr. Mgr. Branislav Ondruš, State Secretary of the Ministry of Labor, Social Affairs and Family, presented the legislative environment of social enterprises of labor integration. Mr. Ing. Anton Marcinčin, PhD, the representative of the Government of the Slovak Republic, talked about the possibilities of reducing the differences between the regions of Slovakia by supporting the least developed districts. Current issues of social integration include Roma housing, education and employment, and therefore Mr. Ravasz Ábel, the representative of the Slovak Government for Roma Communities, presented the strategy of Slovakia for Roma integration in his lecture. Mr. Marek Rakoš, the Mayor of Raslavice reported about the beginnings, activities and results of existing social enterprise. The afternoon was followed by presentations of partners on the presentation of the economic, demographic, ethnic indicators of the partner country, labour market and social business situation. The lecturers defined the target groups of work integration and defined the concept and legal background of social enterprises in different countries of the Union. In their presentations, as an example of good practice, they presented the work of specific subjects, presented positive and negative experiences, and defined the problems and opportunities of social business development. A press conference with the participation of local and regional media with nationwide scope was held during the event. For more detailed information and list of presentations see the web site:

Event 3

Participation: The event involved 78 citizens, including 13 participants from the city of Fil'akovo (**Slovakia**), 4 participants from the city of Labin (**Croatia**), 4 participants from the city of Niš (**Serbia**), 2 participants from the city of Madalena (**Portugal**), 50 participants from the city of Penne (**Italy**) and 5 participants from the city of Santa Severina (**Italy**).

Location / Dates: The event took place in **Penne (Italy)**, from 20/03/2018 to 22/03/2018

Short description: The aim of the event was to focus on the functioning of individual social enterprises and the relevant legislative frameworks in social economy within Europe. The first day of the conference featured the participation of young students from local schools in Penne and also students from "Istituto Tecnico Statale Commerciale e Geometri "G. Marconi "of Penne. Local entrepreneurs were also represented, and the meeting was conducted under the auspices of the heads of the national contact points, these being: Dr. Gabriella Spina, Head of the 'Europe Direct' Majella network, Dr. Serena Manzone, Head of the 'Enterprise Europe' network of the Agency of the Chamber of Commerce of Chieti and Prof. Rita Sassu, Senior Project Officer of the 'Creative Europe' Desk and of the ECP Italy (National Contact Point for the "Europe of Citizens" Program - Europe for Citizens Point). The second day of the conference was coordinated by the journalist and speaker Dottoressa Valentina Tenaglia. Her intention was to target specifically these groups: journalists and communication experts, trade union associations, employers' associations, voluntary associations, trade unions representing rural workers, entrepreneurs, schools, citizens, municipal administrators, regional administrators, tourism operators, psychologists, social workers and other stakeholders. A press conference was held after the speeches, coordinated by the journalist Dott.ssa Valentina Tenaglia, and interviews were carried out by the Itivù station and coordinated by the journalist Dott. Andrea Di Renzo. The entire plenary session was broadcast live. The debate highlighted the great opportunities that now exist for the purpose of encouraging business start-ups in the social economy and the barriers that have to be overcome in order to create a good practice manual.

Event 5

Participation: The event involved 113 citizens, including 2 participants from the city of Nagyrozvágy (**Hungary**), 130 participants from the city of Vlachová Lhota (**Czech Republic**), 82 participants from the city of Labin (**Croatia**), 4 participants from the city of Niš (**Serbia**), 4 participants from the city of Novo Mesto (**Slovenia**), 3 participants from the city of Miercurea Ciuc (**Romania**), 3 participants from the city of Penne (**Italy**), 3 participants from the city of Daugmale (**Latvia**) and 8 participants from the city of Fil'akovo (**Slovakia**).

Location / Dates: The event took place in **Labin (Croatia)**, from 26/09/2018 to 28/09/2018

Short description: The aim of the event was to emphasize the importance of cooperation in the area of social entrepreneurship, for the benefit of the entire local community. During the conference, Mrs. Renata Kiršić, regional director of ethical funding foundation and social economy practitioner and expert, presented the story of social economy in Croatia from 1990s to present day, explained different types of business models, access to finance and gave „tips & tricks“ how to survive as a social entrepreneur in Croatia. She also presented best practice examples of social enterprises in Croatia such as ACT group, Humana Nova, ethical funding foundation, Punkt, Brodoto and green energy cooperative. The high school students, accompanied by their professors, also attended the conference, some of whom were also members of the youth council. They had the opportunity to become familiar with the concept of social entrepreneurship and to ask questions. After the presentation, representatives of Town of Labin organized a guided tour to the old part of town Labin to discover the historical and cultural features as well as the local gastronomy with olive oil tasting with expert explanations of William Negri, well known oil producer. The meeting continued with a visit at the Labin museum that offers an overview of the history of Labin through a selection of important events shown in chronological order, thematic units and interactive displays. Another part of the event was a study visit - a tour of social enterprises in Labin where project partners had the opportunity to get acquainted with local social enterprises initiatives, such as sorting plant and Second hand shop Humana Nova, Inpromo Association and the Center for Inclusion and Community Support. Project partners had an opportunity to get acquainted with the organization, work methods and type of products of these social enterprises. During the second part of conference, each partner presented its current state in the field of local social integration, social enterprises, reducing unemployment and poverty with main focus on the ways of financing start-ups of social enterprises in their country.
